Letter No A3: P:R: 856/54 & 29-1-55 from the Chairman, B.T.S. on the subject.

12) The letter & 29-1-55 of the Chairman is submitted for perusal. The Chairman says that it is not possible to reduce the rate of sites which is fixed at Rs 10/- per sqr yds with reference to the actual expenditure incurred to form the Sampigehalli layout,

13) The following suggestions are made by him :-

(a) As it may not be possible for displaced persons to pay full value of sites at Rs 10/- per sqr yd, it would perhaps be advantageous for them to pay the full value in easy monthly instalments, at Re 0-1-8 per sqr yd if the period is fixed for ten years or at Re 0-1-3 per sqr yd, if the period is taken for 15 years. The amount to be paid by each person depends on the area of site allotted to him.

(b) A maximum time limit of six months may be fixed for these persons to shift to the newly allotted sites;

(c) The hut dwellers may be permitted to dismantle and take with them useful building materials, free of cost.

14) As there is no other possibility to give relief to the poor residents of the Gangadharchetty area whose properties are reported to have been acquired at a nominal cost of Rs 2/- per sqr yrd, the suggestions made by the chairman in items (a), (b) and (c) under para 13 in the previous page may perhaps be approved with the modification that the period for the recovery of the monthly instalments may be fixed for (ten) 10 years and the rate to be recovered per month per site fixed accordingly. To this extent with reference to para 1 of the notes.

17) Most of the petitioners are poor Harijans who are quite unable to buy sites at Rs.10/- per square yard in Sampigehalli lay out even if they are permitted to pay the site value in ten or even fifteen years. They have been repeatedly urging for reduction of the rate. Their request deserves sympathetic consideration. I would suggest that the displaced persons of Gangamacherry may be given sites in Sampigehalli lay out at Rs.5/- per square yard as a special case. They may pay the site value in 15 years in equal monthly instalments interest at 5% may be charged. The displaced persons should shift to the newly allotted sites within a period of six months. The hut dwellers may be permitted to dismantle and take with them useful building materials free of cost.

24 JUN 1954 S.G. DEPARTMENT

PETITIONERS:-

Yejaman Bandappa,
Corporation (Councillor) M. Yellappa, Maistry Muniyellappa and other residents of Old Gangamma-Cherry, Bangalore City.

SUBJECT:- Allotment of housesites in Sampige halli Lay-out.

The petitioners beg to state as follows:-

That the petitioners are grateful to the benign Government for their kind action to allot house sites to the dishoused Harijans of Old Gangammachery in Sampigehalli Lay-out.

The Government is well aware thattheir valuable houses and house sites were acquired by the Government in the year 1941-42 and 1944-45 for the improvement of Sir Puttanna Chetty Town Hall area. The properties of the petitioners in a valuable place were acquired at low and nominal compensation ie., at Rs. 2/- per squzre yard. They need not state here the present market value of the said sites and buildings is very high and the same is at Rs. 40/- per Sq. yard. They need not also state the value of substantial buildings on the said sites.

That the petitioners are highly surprised to understand the decision of the Trust Board to allot smaller sites

(2)

measuring 20' x 34' in the Sampigehally Lay-out at the price beyond their ordinary reach ie., Rs. 10/- per square yard.

In the previous acquisition, the Corporation had allotted sites measuring more than 35' x 40' in the valuable Kalasipalyam Layout and granted to the dishoused people of Old Gangammacherry at the rate of Rs. 1-8-0 per square yard ie., 0-8-0 less to the rate of Rs. 2/- they had acquired. The fact may be referred to the Corporation.

The petitioners who are Harijans had never expected that the Government would be strict to allot such smaller sites measuring 20' x 34' and charge them with such highest rates of Rs. 10/- per square yard. This has been greatly affected the minds of the poor Harijans who lost their valuable sites in the acquisition. That they are extremely poor and not able to purchase the sites at highest rates and thus they will be deprived of their properties and become houseless people.

Justice requires that the sites should be allotted to the petitioners (Harijans) at least at the same price of Rs. 2/- per square yard as their sites near the Town Hall were acquired if not the sites are allotted free of cost. The petitioners are entitled for compensation at the ruling market rates of the buildings which are acquired.

The petitioners cannot construct houses in the new Layout without their compensations for their buildings are enhanced to the present market rates.

Since the petitioners are displaced from a locality where there was a layout they cannot be again asked to pay the layout and other incidental charges in the new layout. The sites that would be granted should at least

(3)

measure 40' x 30' feet and we shall be thankful if the sites are granted of the dimensions of 60 x 40 feet in view of future development and expansion of the families.

We request you kindly grant the sites free of cost and to pay the adequate compensation consistent with the valve of the buildings acquired in the locality so as to facilitate us to construct houses in the New lay-out, for which act of kindness we shall ever remain grateful.

Respected Sir,

We the residents and deshoused persons of Gangamma Cherry, Bangalore City most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration and pray for orders:-

' Sir, with reference to the notice dated 4th June 1954 from the office of the Commissioner and Land Acquisition officer, Bangalore Corporation, Bangalore instructing us to demolish our houses and hand over the vacant lands to the Corporation Engineer on or before 16th June 1954, failing which a reference will be made to the City Magistrate, Bangalore for further action against us.

We the dishoused people of Gangamma Chetty request your goodself to kindly consider our difficultics, if we demolish our houses in these rainy days, how difficult it is for us to get rented houses for almost all these dishoused people. Your honour is also aware that these depressed class people are not allowed to reside among the High class people.

Hence we bwing to your kind notice that a stay order may be granted to us till the end of January 1955 so as to enable us to demolish our houses and takw away the building materials to our new sites at Sampigehalli layout.

We also request your goodself to be kind enough to arrange to grant us sites immediately and enable us to store our building materials in the said new sites and after constructing a temporary shed in the said site and we will be able to hand over the vacant lands.

From

M.Yellappa,
Councillor, Corporation of the City of
Bangalore, Bangalore

Respected Sir,

I, the undersigned beg to submit the following on behalf of the house owners situated at Gangamma Cherry, Bangalore City and request you to kindly consider the following and renier justice to the Depressed class people.

That for the improvement of Town Hall area, the corporation acquired the houses of these depressed class people. In awaring compensation the authorities have failed to take into consideration the reasonable points such as the locality in which their houses are situated, present market value of the sites in the said locality etc and have blinedly awared a compensation at the rate of Rs. 2/- yard. All their representations submitted to the authorities for higher compensation, seems to have been kept pending without any consideration.

That these people seems to have submitted an application to your honour's office on 13/6/1954 requesting for the allotment of sites in Sampigehalli so that they may vacante their houses which were occupied in Gangamma Cherri In reply thereto an endorsement No.4910 of 29/July/54 was issued stating that the matter is receiving the attention of your goodself.

That now the Commissioner of corporation have issued individual notices to the house owners of the said

(2-2)

said locality stating that sites at Sampigehalli have been allotted to them at Rs.10/- per Square yard and that they have to take possession of the sites so - allotted to them immediately after paying the full value of the site subject of course to the condition that the compensation due to each applicant will be adjusted towards the value of the new sites alloted to them in Sampigehalli. It is also stated that the houses acquired by the corporation have to be vacated at the end of this month.

In this connection I may be permitted to mention here that the sites allotted to the applicants at Sampigehalli layout is outside the business locality and its value is very low when complared to the land of theirs situated at Gamgamma cherry which was occupied by the Corporation, For such a valuable land they have awarded a compensation of Rs.2/- and for the layout formed at Sampigehalli by the City Improvement trust board they are claiming Rs.10/- perSyd. This may kindly be judged by your goodself whether the rate fixed by the corporation or the cith improvement trust board as the case may be is justified.

Added to this, the owners of the houses are directed to vacate and hand over possession of the houses at the end of this month. I submit this is impossible and within this short period, they cannot construct their houses in the newly layout. Further they are all poor people whose position in finance is very bad. Such immediate orders would hit hard on the people belonging to Depressed class people who on the other hand deserves all sorts of concessions and encouragements at the hands of the Government.

In the light of the above circumstances, I on behalf of the Depressed class people whose houses at Gangamma cherry have been occupied, pray that

(23)

the sites at Sampigehalli layout may be given to them at the rate of Rs.2/- per sqyard yard at which rate their valuable lands were acquired.

Secondly I submit that some reasonable time may kindly be sanctioned to them after putting them in possession of the sites at Sampigehalli so that they may construct their new houses and vacate the present houses of theirs which have been acquired. If without settling this question iffxx they are compelled to vacate and hand over possession of their houses, they will be put to much inconvenience without having any dwelling places to them.

Pending disposal of the said application, the authorities concerned may be directed not to interfere with their possession of their own houses situated at Gangamma Cherry. I request for an endorsement for the action taken in the cause of these poor Depressed Class people.

Thanking you

Subject:- Allotment of sites in Sampigehalli Layout to the Displaced site owners of Gangammacherry.

With reference to your letter No.L.11195 dated 10-12-54 forwarding a copy of petition dated 16-11-54 addressed to you by Sri Yellappa, Councillor, Bangalore Corporation for report on the points noted in your letter under reference, I write to state as follows:-

1. 164 sites of different dimensions, having areas ranging from 33 Sq.Yds to 306 Sq.Yds. have been so far formed at Sampigehalli. Out of these 12 sites have been allotted to Political Sufferers who have been intimated to take possession of these sites after paying the value of sites at Rs.10/- per Sq.Yd. and so far none of the Political Sufferers have taken possession of the sites, as they have been urging for the grant of sites either free of cost or at an upset rate of Re. 0-8-0 per Sq.Yd.

Their request has been rejected.

The remaining 152 sites are available for being allotted to the residents of Gangammacherry and the Public. There are 118 huts in Gangammacherry of various dimensions, having an area varying from 30 Sq.Yds. to 260 Sq.Yds and in one case to 630 Sq.Yds. Thus even after reserving 118 sites for the displaced site owners of Gangammacherry, 34 sites will be available for being disposed of otherwise.

In this connection I wish to narrate the circumstances in which these sites were formed. It was during 1942 about 20 sites in Gangammacherry were acquired for clearing the slum area by the Municipality. Full awards were passed and paid to the respective owners but the acquired huts were not handed over to the Corporation. To provide these dislodged persons, 20 sites of 20'x34', were allotted to them in Sampigehalli Extension and they were asked to pay the value of the sites at Rs.10/- per Sq. Yd. None of the allottees have so far ~~pdx~~ paid the amount and

P.T.O

taken possession of the sites allotted to them. Again in 1945 some more huts were acquired and awards in respect of 8 cases were passed and amount also paid without however taking possession of the huts in Gangammacherry, and dislodging those compensated.

The Corporation has now to complete acquisition of this area, remove the huts, and hand over possession of vacant land to the Trust Board for being preserved as an open area by the side of the Town Hall. The hut dwellers, have been protesting against the valuation of their sites at Rs.2/- per Sq.Yd. and they also plead that the award amounts will not be sufficient to pay the high site value fixed by the Trust Board.

During last month, a list of all the hut dwellers, in this area, with the dimensions of their holdings was got prepared. The total area covered by the huts comes to 10,333 Sq.Yds. as per details collected. Even if land for land is granted in exchange, about 12,000/- Sq.Yds in Sampigehalli would be required to accommodate all these dislodged persons.

As per separate statement enclosed the cost of the site now formed at Sampigehalli works out to Rs.10/- per Sq.Yd. out of which Rs.4/- forms the acquisition charges and the balance of Rs.6/- towards layout charges. In this connection, it may be pointed out, that these hut dwellers, are living under highly insanitary conditions, in a slum area, without any facilities by way of roads, water supply, under-ground or surface drainage etc. These facilities have all been provided in the new layout formed at Sampigehalli. Even if land were to be given in exchange of land taken from them the displaced persons should pay for the amenities provided by way of good roads, water supply and under-ground drainage etc.

1. Since it may not be possible for the dislodged - - persons to pay full value of site at the rate of Rs.10/- per Sq.Yd. it would perhaps be very advantageous to them to pay the full value of each site in easy monthly instalments, extended over a period of 10 to 15 years. It has been found by calculation that the above, will work to at 0-1-8 per Sq.Yd. of site per month for a period of 10 years and 0-1-3 per Sq.Yd. if the period is taken as 15 years. The amount to be paid by each person depends on the area of site taken possession by ~~thi~~ him. Easy monthly instalments may not be a heavy burden to these persons. Interest at 5% on capital has been allowed in the above calculation.

2. A maximum time limit of 6 months may be fixed up for these persons to shift to the newly allotted sites if the proposals noted in 1 above, are approved by Government.

3. The hut dwellers may be permitted to dismantle and take with them useful building materials free of cost.

Very early consideration and orders of Government of the above proposals are requested since early action has to be taken in getting this slum area cleared as per kind instructions of the Chief Minister.

Yours faithfully,

(D.R. Chennarudraiya)
Chairman.

Sir,

Subject:- Demand No.23-Grant Rs.55,26,000/-40-A Rural Development token cut moved by Sri.B.T.Kemparaj to discuss the acquisition of land in front of Shivaji Talkies for the formation of sites for Harizans of Old Gangamma Chetty.

With reference to your letter No.L.15010-11 dated 14th March 1955 calling for a note on the above subject, I write to state that this Corporation is not dealing with the question of formation of a layout after acquiring the lands in front of Shivaji Talkies for Harijans of Old Gangammacherry, Bangalore City. Since the subject is being dealt with by the City Improvement Trust Board, the Chairman, City Improvement Trust Board Bangalore, has to furnish a note on the same.

In this connection it may be stated that 50 properties (now existing) in old Gangammacherry were acquired in the year 1944-45 by the Erstwhile City Municipality on behalf of Public Works Department for keeping the area open near the Town Hall. Out of the total acquired properties only the owners of 7 properties handed over possession of their properties and received compensation amount. The owners of the remaining existing properties refused to hand over possession on the plea that they should be provided sites before they would be evicted from the acquired properties.

Submitted. As a note has already been sent, this will be placed in the course of fly affairs Return

Then the correspondence regarding formation of a layout for locating the residents of Gangammacherry went on for few years between this office and the City Improvement Trust Board - Bangalore. Finally, the City Improvement Trust Board, Bangalore at their meeting held on 30th December 1953 resolved that sites-

P.T.O.

sites ~~may~~ might be allotted to the Gangammachery people in Sampigehalli layout". The Chairman, City Improvement Trust Board, Bangalore, communicated the said resolution to this office in his letter No.A2.P.R.28/54-55 dated 30th April 1954 with a request that the dishoused people of Gangammacherry may be asked to put up their applications to the Trust Board in the prescribed form with an initial Deposit for allotment of sites. Accordingly all the dishouses people of Old Gangammacherry as well as same of the other people whose properties were acquired long back in Gangammachery area, have all been issued endorsements to put in their applications to the Trust Board for allotment of sites in Sampigehalli layout. The matter is not finally decided, since the residents of Gangammacherry are protesting against the rate of Rs.10/- per square yard fixed up by the Board for the new sites proposed to be sold in Sampigehalli layout.

Yours faithfully,
